(6) There is no application from the Vice President himself — at least there is no reference to it in the President's letter or the Council Resolution — that his present allce pay is not sufficient for him & to provide himself with the necessary Conveniences for the efficient discharge of his work — Why one of the Councillors should have taken it on himself to recommend an allce is not clear — nor why the President should have waited to submit his recommendation, if he thought it absolutely necessary, until a Councillor proposed it —

The Vice President was appointed on his pay plus an allce of Rs 50/- Wh has now been consolidated into pay prop by the higher Status —

No satisfactory reason has appeared for opposing Mun Resol'n

Office of the President,
Shimoga Town Municipality,
Dated the 12th September 1916.

President, Shimoga Town Municipality,
S H I M O G A.

L. Krishna Rao, Esquire.
Offg. Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

I have the honor to state that the subject of granting a conveyance allowance to the Vice President Shimoga Town, was mooted by Mr. S. Seetharamaiya, Municipal Councillor at the last meeting of the Council which took place on the 19th August 1916. It was unanimously resolved that an allowance of Rs 30/- per mensem be sanctioned to the whole-time Vice President, and that the cost might be equally borne by the Government and the Municipal Council in the same ratio as his pay.

The Vice President has much out-door work to perform, and it is necessary for him to maintain a conveyance in this Town. The allowance now proposed appears therefore to be reasonable, and I would strongly recommend that Government may be pleased to sanction the same.

Provision for meeting this additional expenditure out of the budgetted grant will be made and the reappropriation statement will be submitted on receipt of sanction.

Copy of the resolution of the Board is herein enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

Subramanya

The proposal of the Municipal Council does not commend itself to us, no necessity having been made out for a conveyance allowance.
